Trap-Neuter-Return (TNR) Assistance *Help reduce the stray and feral cat overpopulation*

If you are feeding outdoor cats (stray or feral) in Marion County, you are required by the city's TNR ordinance to spay/neuter, vaccinate, and eartip for identification all the cats in your colony (group) and be registered with Indyferal.

- **IndyFeral** www.indyferal.org - Offers Trap-Neuter-Return (TNR) assistance within Marion County. Stray and feral (wild) cats are humanely trapped, examined, vaccinated, provided an eartip for identification and sterilized by a veterinarian. Medical care is provided as needed. Cats that are too wild for adoption are returned to their familiar outdoor habitat and monitored by their caretakers. Food bank and cat shelter assistance is available to registered caretakers as resources allow. Indyferal encourages caretakers to utilize local adoption groups to assist with adoption of tame cats/kittens if needed. TNR referrals provided for those outside of Marion County. Ph: 596-2300.
