ABOUT SNSI

Spay-Neuter Services of Indiana is a statewide financial assistance organization whose mission is to help every Indiana shelter become zero kill. SNSI provides free surgery certificates to nearly 250 rescue groups and shelters and provides \$20 certificates to limited-income Hoosiers.

Since our inception in 1977, we have funded more than 130,000 surgeries. Many shelters are reporting decreased intake and euthanasia numbers. We're on track to achieve our goal, but we're not there yet.

SNSI is a predominantly volunteer organization that is financially supported through the Pet Friendly license plate, grants, donations and fundraising activities such as this Nut Sale. Your support makes a direct impact on the lives of Hoosier cats and dogs.

THE PET FRIENDLY LICENSE PLATE
